Mount Carmel College, Autonomous

Mount Carmel College is a premier institution for women's education in India. Established in 1948, it is run by the sisters of the CSST order who are devoted to impart excellence in teaching, learning and research. Our pursuit is to proliferate education and transform students into professionals who further, responsibly achieve and exercise their potential to empower society.

Mount Carmel College, an autonomous college since September 2005, affiliated to Bangalore University was reaccredited with an A+ by National Assessment and Accreditation Council (NAAC) in 2006, A grade by NAAC in its 2nd round of re-accreditation in 2012 and A+ Grade in the 4th cycle of Accreditation in 2019. It is one of the Colleges in India selected by UGC under the scheme, College with Potential for Excellence (CPE) in 2006. Consequent to the trifurcation of Bengaluru University in March 2018, Mount Carmel College is now affiliated to the Bengaluru Central University.

Department of Nutrition & Dietetics

Department of Nutrition & Dietetics was established in the year 1994, Post Graduate course Food Science and Nutrition was started in 2010 with recognition as Research Centre by Bangalore University from 2015. The under graduate and post graduate courses offered focus on teaching evidence based research in areas of Human Nutrition, Clinical & Therapeutic Nutrition, Food Science and Community Nutrition. Academic program is supported by upgraded lab facilities, community outreach program and internship program
